

VENUS
MOSAICO

CATALOGUE 2026

A photograph of a modern interior space. The walls are composed of large, dark, rectangular panels arranged in a grid-like pattern. The floor is made of light-colored wood planks. In the background, there is a staircase with a glass railing and some furniture, including a table and chairs. The lighting is warm and focused on the floor and the staircase area.

Due to the nature of the material, color and size may vary.
Variations in color and size are due to the nature of the material,
that may need to be taken into consideration as some effects
can be caused by them.

If there is a difference between the product seen and
the original sample, please note that this is not a defect.
